MOORHOUSE, GERY BEST MEN KRIEGER AND HORNER DOMINATE WOMEN

ETOBICOKE — Some came to swim, others to watch. A few went home early and many stayed to win.

The Esso International has become the best short course international meet in North America. This year the international aspect couldn't have been better, with strong representation from the GDR, the leading swimming power in the world, as well as Soviet, British and American world class athletes.

All the Canadians that matter were in attendance. Most were in early or mid-season form.

For the 539 entered swimmers, the three day meet offered an opportunity for top competition with television and extensive media coverage. It is one of only four such occasions during the domestic competitive season. It's a shame so few realy make the most of such an opportunity.

The closeness of the US Open, a week later, was both a help and a hindrance.

It helped to attract the strong European contingent who were planning to attend the American meet. In fact travel costs to both meets were shared by Canada and US Swimming.

Calgary swimmers planning to perform at a high level in Orlando left early the final evening, some missing certain wins, in order to get back home in time for the trip to Florida a few days later.

Others, like Alex Baumann, just scratched from the finals on Sunday after posting impressive heat swims.

Two college teams from the US took part, obviously hoping to recruit some Canadian talent.

Louisiana State's Buffy Krieger had a fabulous meet. She 's going to remember this weekend for the rest of her life. She beat no less than Kristin Otto, of the GDR, the 1986 female swimmer of the year.

Otto a long way from the form she had in Madrid managed one win, in the 100 back, an event she's not competed in seriously for several years. (She's the short course record holder with 59.97 from 1983).

Krieger won the 100-200 free, with seconds in the 50-400 free for a very successful Canadian visit.

A very interesting match-up between Silke Horner, GDR and Allison Higson, ESC, established the supremacy of the German world record holder.

Higson battled Horner in the 200 stroke for stroke eventually loosing by 6/100ths. In the 100, Horner made sure there would be no close finish as she took a commanding lead early and held on to win by almost a full body length.

Jennifer Campbell, a Sudbury native now at Louisiana State, showed signs of her old form. She didn't compete last summer, after failing to earn a spot on the Commonwealth Team.

Campbell lost a close race to Jane Kerr in the 200 i.m. and battled Gaynor Stanley, GBR in the 400 i.m. and had solid fourth (top Canadian) in the 200 back with 2:17.95.

Switzerland's Dano Halsall, a silver medal winner in the 50 free in Madrid has consolidated his sprinting reputation with strong wins in the 50-100 and a third in the 100 fly.

The best men's race was between the GDR's Sven Lodziewski and new Canadian Marcel Gery in the 200 free.

The German giant (6' 7") is one the biggest in the sport. He used his height to good advantage in the turns to best Gery. Lodziewski also won the 400 and pulled Gary Vandermeulen to an impressive second.

Gery displayed remarkable courage and competitiveness in the free and fly events. He won the 100 fly over Tom Ponting a rare domestic loss for Tom. ■

GARY GETTING READY TO CHALLENGE THE BEST

PATRICIA YOUNG

Relax Steve... Gary will leave the sprinting to you. The older of the Vandermeulen brothers is setting his sights on the middle distance events.

"I swim the 200-400 free, 200 back and 200 fly. The freestyle in Canada is fairly slow. I'll concentrate on the 200 and 400 and not drop down to the sprints. My little brother got all my fast twitch muscle fibres." (Steve is one of the more promising sprinters in the country.)

"I have been working from 800 down to a 200. As a result I think the front end of my race is still too slow, but I can usually come back."

Gary grew up and started swimming in Vernon, a small town in the mountains of British Columbia. Three years ago he decided to leave and train in Calgary with Deryk Snelling.

"I came because of Deryk's reputation. I wanted to do well in swimming and go to school at the same time. I hope to do graduate work in sport psychology.

"I'm from a small club and I wanted to move up to the big leagues. So far it has been very fruitful.

"We're doing mostly distance training this time of the year, with i.m. work and a bit of quality sprint-type work. We do a few sets of 10x800, or 10x200 backstroke and broken 200's. I like that kind of training because we seldom do the same set. It makes it easier."

Calgary swimmers train to swim every event open to them. Gary is no exception. He doesn't think this approach has hurt him, in fact he enjoys it.

"I try to focus on one event per day at the big meets, but I'd rather swim as many events as possible in season.

"I haven't really had a speciality until now. The freestyle has seemed to open up so I'll be going for it this year. I made the national B team in freestyle and I was carded in backstroke."

Gary is starting to see the results of his work. At the Esso International he dropped two seconds off his 400 freestyle time. He also made his first national team tour this summer when he went to Great Britian and Moscow. ■

SOME CAME TO RACE

PATRICIA YOUNG

The question Adrian Moorhouse probably least likes to hear is the question he gets asked the most.

"You mean about Madrid?

"My reaction then and now is that I'm very bitter and disappointed, but I'm not devastated. It didn't kill me. It didn't hurt me as much as I though it might have," he said at the Esso International in Etobicoke.

Moorhouse was disqualified in the 100 breaststroke at the world championships in Madrid last August. He felt he was a victim of the judge's inflexibility.

"I admit there was a movement with my feet. I saw it on the tapes, but as far as I'm concerned it was a reaction from my arm pull. I was even more bitter when Baumann was reinstated after his disqualification. I was told they couldn't reverse judges decisions, but they did in his case.

"Every swimmer goes into a race wanting to win. I touched the wall first and saw the clock and that's what I wanted. That feeling was there and it can't be taken away. I know I did it. The thing I'm bitter about is not getting a medal to prove it.

"I just wonder what Victor feels because it must be causing him some embarrassment."

Finding out how Davis is doing was one of the reasons he came to this meet. It would be their first re-match since Madrid. Unfortunately Davis chose not to swim Moorhouse.

"I just started training two weeks ago, so I had no intention of coming to this meet and racing," said Davis.

"In some ways I wish I had been ready because Adrian is here, but I needed to take the time off. I had some decisions to make; do I stay in Waterloo or move to Pointe Claire; should I continue swimming?"

"I hoped that he would swim," said Moorhouse, "but if I was in the same training situation, I might not have raced. It wouldn't do his image any good if he raced me and I won. In Britain, I don't put myself on the line if I know I'm not fit enough to race."

Moorhouse says all this after admitting that, "Davis is the competition" and that he came here gunning for him. When pressed further, his diplomatic veneer drops.

"I was trying to be nice actually. He should have showed up to race. I did. I've heard so much about how Victor is trying to get back and how determined he is, but he doesn't seem that determined to me if he's not going to get ready for this meet.

"I've only been in the water for six weeks and I haven't shaved down. We're both in the same boat. Having read these reports that he's in a new frame of mind I thought he would have made a bit of an effort. It makes me wonder."

Despite missing another chance at Davis, Moorhouse had a successful meet. He won the 100 and 200 breaststrokes, placed second in the 200 individual medley and shared the high point trophy with North York's Marcel Gery.

Any other reason Moorhouse came to Canada? "Yeah...to get out of Leeds." ■

SOME CAME TO WATCH

PATRICIA YOUNG

Vladimir Salnikov has set 13 world records; six in the 400 free, four in the 800 and three in the 1500. He is the current record holder in the 800 and 1500.

He is the last person you would expect to tell you, "the days of high mileage training are over."

To anyone looking for the key to distance swimming, Salnikov offers an extremely simple solution. "You have to enjoy swimming."

It seems too simple.

But those are his answers. Of course each answer is layered and he'll stare at you, dead pan, until you dig further.

"I think big volume is not necessary. We need more quality. I swam 24,000 metres a day to prepare for the world's in '78. The last two years I haven't trained more than 9,000 metres a day. It's possible to swim as little as 7,000 metres a day, but with quality."

This doesn't mean you can jump out of the pool when the sprinters leave.

"There is no way to avoid volume. At an early age you have to build a base.

"Everything comes in cycles. Forty years ago most swimmers trained four sessions a week. By the late 50's everyone pushed towards more. We're in a new cycle now.

"The 1500 is a difficult event. I get bored sometimes. It's very tough psychologically. It's difficult to have a fresh attitude towards training and competition. You need to enjoy swimming. It can't be just hard work. The work should be a pleasure."

Salnikov, now 26, is unconcerned about rumours that he is burnt-out. He came fourth in the 1500 in Madrid, but thinks that was a result of bad timing rather than bad attitude.

"I didn't have time to prepare for Madrid. I need two months or more but I only had 40 days after the Goodwill Games. It was a good idea, but it should have been held at a better time. I think it affected the whole Soviet team.

"I'm going to swim this year and by nationals (February) I will know what results I can achieve. If I'm close to my best times I'll continue, if not it's time to quit." ■

LONDON WINS TEAM AWARD IN BEST SHORT COURSE AGE GROUP MEET

ETOBICOKE — The Youth Cup is one of the top short course youth meets of the year. Since 1981 it has been a kind of unofficial short course nationals for swimmers 14 and under. This year was no exception, with 45% of top ten placings in TAG this season from the Youth Cup.

661 swimmers from Alberta to Newfoundland took part in this year's competition. In addition teams from Leeds, England and Syracuse in New York added a modest international dimension.

The meet is limited to swimmers 14 and under. It provides an opportunity to run consolations as well as finals giving swimmers a second chance to fast swim and simulate the atmosphere of a senior meet.

The over-all winner of this year's Cup was London Y AC with 1,321 points to Etobicoke's 1,228.5 and Nepean SC's 1,194.5. Coach Paul Midgley has produced a distance based age group club at LYAC, since arriving there in 1984. His swimmers at this meet demonstrated the success of this strategy by winning each of the girl's 800 freestyles, adding medals in the 11-12 boy's 1500 free.

In the younger age groups one talented athlete will often dominate a meet.

Michael Mason, Etobicoke SC

This year the 11-12 events belonged to Calgary Cascade's Curtis Myden, 12, and LYAC's Shannon Pilgrim,12.

Shannon won the 200 free in 2:09.91 and the 400 free in 4:33.88. Shannon's swim in the 800 freestyle (9:12.79) placed her number one in the country in that event and third on the All-Time TAG list.

She also placed second and third in the 50 and 100 respectively, but her strength isn't just in the freestyle events. She medalled in the 100 and 200 butterfly (second and third), won a silver in the 200 individual medley and placed fourth in the 400 individual medley.

Curtis Myden picked up gold in six events (100, 400 free, 100, 200 back, 200, 400 i.m.) and medalled in three others. All of his wins placed him at the top of the rankings for this year. His 100 and 200 backstroke and 400 individual medley times put him second on the All-Time list, while his swims in 400 free and 200 i.m. ranked him third.

There were other strong performances in the 11-12 age group. Jacynthe Pineau,12, CNCB, won both backstrokes and 100 and 200 fly. Michelle Boudreau, 12, NSC, picked up two golds in the individual medleys.

Michael Mason, 12, ESC, showed good speed winning the 50 free and 100 and 200 breaststrokes. Although he didn't win as many events as Myden, he posted the top two swims of the meet.

The over-all winner of the boys 13-14 was David Chisholm, 14, LYAC. He won both i.m.'s and the 200 backstroke. His

Curtis Myden, Cascade SC

London teammate, Peter Smith,14, took gold in the 50 free and 100 breaststroke.

In the 50 free Smith touched ahead of Ragnar Udd,14, NSC. The two switched places in the 100, with Udd winning in 54.13. Udd medalled in every freestyle event but the 1500. He led Chisholm from the start of the 200 to narrowly win (1:58.53 to 1:58.87)), and snagged a bronze in the 400.

Allison Higson, ESC and Sue Smith, ROW, shared top honours for 13-14 girls. Higson, 13, won the 200 free (2:06.90) and the 100 butterfly (1:05.42). Sue Smith, 14, won both individual medleys and the 100 breaststroke. Higson, who won two golds at the Commonwealth Games and a bronze at the world championships, chose not to swim breaststroke, her speciality. ■

GOSS AND TEWSKBURY SWEEP BACKSTROKES

ORLANDO — The US Open attracted 650 swimmers from 15 countries but only a few made use of the opportunity.

It was the final long course meet that could be used to improve world standings. Canada's Sandy Goss, a freshman at the University of Florida, and Janet Evans, the 15-year, 5' 3", 90 pounder from Fullerton California did exactly that.

Evans won the 400 free (4:11.06), 800 free (8:32.85) and the 400 i.m. (4:45.81). All three times were her lifetime bests and earner her the top swimmer award.

Another newcomer to the winner's circle was Grace Cornelius, 14, from Philadelphia. She won the 100 fly (1:01.52) placed second in 50-100 free.

Olympic champion Mary Wayte swam a near US record winning the 200 free with a fast 1:59.46, just two tenths off her own 1984 record. She was part of the supercharged University of Florida Gators that ran away with the men's and women's team titles.

Sandy Goss, the Toronto area swimmer who is part of the 'Gators', looks to have made a very smart move.

"At the end of last summer I wasn't sure if I was going to continue," Sandy said. "After the World Championships it was hard to know what to do next. I had to decide and not have someone else decide for me.

"It looks like I've made a good decision coming to Florida. Coach Reese says he'd rather have a long course world record holder than win NCAA's. The emphasis on long course paid off already. We do seven workouts over 50 metres and the work is similar to what I did at NYAC with coach Temple. A couple of days of lactate, a distance day and two aerobic days, are a typical week. I'm more used to that than distance training."

In an environment which is very gung-ho and red-white-and-blue, Sandy holds on to his Canadian identity. "I've got my Canadian flag in my room to remind everyone and myself."

The ultimate irony will be the showdown at NCAA's for the 200 back. It will between Goss and another Canadian, Sean Murphy, who's at Stanford and has won this event for the past two years.

Sandy Goss, Mark Tewksbury and Igor Polianski Photo by Marco Chiesa

Sandy won the 200 back with a 2:01.83, his lifetime best. Having been stuck around 2:02+ for two-and-a-half years.

Goss added very strong relay legs helping Florida win all three. He led off the 4x200 free with a season best time for him of 1:51.82 and swam a 50.06 (third leg) on the 4x100 free relay.

Goss and Calgary's Mark Tewksbury went one-two in both backstrokes, with Mark winning the 100 in 56.94, to Sandy's 57.23.

Tewksbury's win in the 100 was expected and planned for.

"I expected near best times," he said. "I hope I can keep my edge against Polianski." He has met the Soviet world champion three times and beat him twice.

Tewksbury was asked by the American media about staying in Calgary, "I wouldn't leave Canada for anything," he said. "In my opinion I have the best coach in the world in Deryk Snelling. I have good financial support in Canada. But most important it allows me to keep in touch. Alex and Victor have done it by staying so I decided that was best for me."

Marcel Gery of NYAC, was even more impressive than a week before with solid fly swims. Gery was suffering with a bout of the flu and scratched from the 200 free. He finished fourth in the 100 fly and narrowly lost the 200.

Calgary's Tom Ponting, in a dramatic swim, took the early lead and had a full second on the field at the 50-100-150 only to falter within metres of the finish. The race was won by David Fairbanks, USA, with 1:59.83 to Gery's 1:59.86. Ponting was third in 2:00.22.

Ironically, Fairbanks is better known as a backstroker, and this was his first fly win at a major meet. ■

On dry land Walter and Donna Wu look like normal kids. But put them in the water and they turn into a couple of dolphins. British Columbia's Walter and Donna have made quite a splash in swimming circles thanks, in a small part, to the Esso Swim Canada Program. At Imperial Oil, we're proud to help fund swimming programs nationwide for people of all ages. In real human terms, that makes life a little better for us all.

You make us better.

1986 SWIM STATS

What follows is a 10-page section of the long course rankings for 1986. A world list 50-deep is followed by an additional 50 Canadian performances.

World records were bettered in five men's and eight women's events. The only Canadian with a record swim during 1986 was Alex Baumann, equalling his two year old time in the 200 i.m.

Men's swimming continues to be dominated by the USA, both in depth of rankings and at the excellence end. This was confirmed at the world championships. However other nations are closing the gap.

Women's swimming is dominated by the GDR but only at the excellence end. The USA actually placed a larger percentage of their swimmers in the 50-deep rankings than a year ago (24.4 in 1985 to 34.1 this year), but failed to perform when they competed head-to-head in Madrid.

Canada's men hold on to their ranking position just behind the big powers (USA, URS and FRG) but the women are losing ground every year both in number of ranked swimmers and excellence.

The rankings would not be possible without the help of a very dedicated network of statisticians worldwide most notable:

Luigi Saini, Italy; Leslie Cranfield, U.K.; Jeff Diamond and Judy Jacob in the USA; Rumen Atanasov in Bulgaria; Viktor Judin, URS; Helmuth Bock, FRG and Berth Johansson in Sweden.

The founding meeting of an International Swim Statisticians Assoc. was held in Madrid with Luigi Saini elected President and N. J. Thierry, Secretary.

A note on the Canadian rankings. Several swimmers who hold Canadian passports live and train in the USA, notably Darren Ward and Kalli Quinn. Some of their best performances were done in American meets.

Marcel Gery defected to Canada in October and his late season performances are credited to Canada, while ther rest of the year he represented Czechoslovakia (TCH).

Michael Gross, FRG, the dominant male swimmer in the world during 1986 as well for the past four years

Marco Chiesa

Kristin Otto, GDR, the female athlete of the year

Dr.Norman Wagner, President of the University of Calgary receiving the first cheque from Paul Savage, Swimming Canada's University Coordinator. The cheque represents the start of SC/CIAU/Sport Canada University Program of $250,000 annually

Dennis Pursley, head coach of the Olympian Swim Club in Edmonton has resigned his position at the end of the first week of January.

Pursley has been in Edmonton since the fall of 1984. He'd been coaching previously at the Australian Institute of Sport and was instrumental in the successes of the men's team in Los Angeles that year.

Pursley indicated that "I have been considering a career change after 1988. Circumstances brought up the timing of my decision. For everyone's sake I leave now."

He's returning to his hometown, Louisville, in Kentucky, USA, where he will consider a number of options in the business world.

"I feel good about my decision," he said. "I have a hard time visualizing myself on the deck another twenty years. Now is the time to make a career change."

It's a big loss for his swimmers, the club and Canada.

His assistant, Brent Forsyth has taken over the head coaching duties with the Olympians.

❖ ❖ ❖ ❖ ❖ ❖ ❖

Saskatoon Goldfins finally have their new head coach, **Dave Bance** in Saskatoon. He arrived Jan.15 to take up this new challange.

Bance has been coaching at Stockton-on-Tees, in the north of England, where his best known current swimmer was butterflyer Samantha Purvis.

He's been actively coaching for the past 20 years and very involved with the British Swimming Coaches Association, as secretary and president.

Bance indicates his goals for the Goldfins "To identify potential athletes of national and Olympic potential with the immediate aim of working towards the 1988 Games. Another immediate aim is to qualify and place as many swimmers as possible at nationals."

Over 18 hours in Lake Ontario. No leaking. No fogging... No stopping.

On August 16th and 17th, 1985, long-distance swimmer Kim Middleton swam across Lake Ontario to raise money for the Mentally Retarded.

She did it in 18 hours and 34 minutes. With a little help from Speedo.

"During the entire time I was in the water," Kim says, "I used only one pair of **Speedo Freestyle Anti-Fog Goggles**... and never took them off."

"Not once, while crossing the lake, did these goggles leak or fog-up on me. They really are an excellent pair of goggles... This is the first time I have encountered such a durable, well-made goggle. I am still wearing that same pair and I am in the pool 2-3 hours per day!"
